As an organization, our vision is *to help our community engage with its history*. To that end, we have been very active during the past twelve months:

- Raising awareness in the community through:
 - Co-hosting six “Local History Comes Alive” Speaker series events at the Broomfield Grange
 - Raised funds for the successful nomination of the Depot onto the State Register of Historic Places
 - Presenting “Shep’s Depot Dog Day”
 - Participating in Broomfield Days
 - Co-hosting a “Members Only” 1930 Holiday Talk at the Depot Museum
 - Providing funds for bus transportation so second graders from Emerald Elementary and Aspen Creek K-8 could visit the Depot Museum
 - Hiring a media intern to help develop a cohesive plan for growing membership and awareness
 - Continuing to place membership cards throughout the city
 - Advocating for the Depot museum and it’s programs
- Raising funds and seeking in-kind gifts to supplement the support the museum receives from the City of Broomfield
- Applying for and managing grants

As we look ahead to 2016, the Broomfield Depot Museum Friends look forward to supporting the Depot Museum by growing our membership, welcoming new board members and continuing to provide events and opportunities for the Broomfield community to engage with it’s history.
